Dear Bride and Groom

Congratulations on your upcoming big day and thank you for your interest in South Hill hosting your wedding.

We invite you to enjoy South Hill as your own - good food, good wine and a great atmosphere.

An hour's drive from Cape Town, Stellenbosch and Hermanus; South Hill nestles the eastern end of the picturesque Elgin Valley. Surrounded by the Kogelberg Biosphere, neighboring orchards and the farms own vineyards make South Hill a very special place.

Classic contemporary buildings with a natural palette of grey, straw, Cape sandstone and timber reflect the earthy shades of the surrounding farm and provide a neutral canvas for you to create your own celebration.

Lush gardens with contemporary indigenous plantings, big skies and lawns allow for a multitude of possibilities. With a combined seating capacity for indoor or outdoor functions, you can decide on a small intimate wedding reception or a larger extravagant affair in this stylish, comfortable and relaxed atmosphere.

We look forward to welcoming you and your guests and will do our utmost to ensure a memorable day.
